Work Experience

NASA Website Re-design - Academic Project

Co-Designer: Jan 2022 - May 2022

- Performed testing to identify issues with the current site.
- Closely worked with UI/UX to give the site a more user friendly experience and address issues found in testing.
- Created a new style guide to modernize NASA's color scheme, font choices and to express design choices for new layout.

UCF Downtown Mobile Application - Academic Project

Co-Designer: Aug 2021 - December 2021

- Helped create a more minimalistic design approach.
- Gave the application a more updated modern feel to accompany the on-campus feel.
- Closely managed stylistic choices to stay within already set UCF guidelines.

Green Tee Golf Scorecard App - Academic Project

Co-Designer: Jan 2021 - May 2021

- Created style guide for application.
- Helped design UI layout.
- Helped conduct market research.
